

# Product Warranty Registration

...../...../20....

## Asutay Customer :

Fill in the required information below completely. After receiving your product, it is your responsibility to fill out this warranty registration form and send it to Asutay. Warranty coverage begins on the first date the product is originally invoiced to the buyer or the new product is put into service, whichever comes first. You must submit the "Product Registration Form" to Asutay within 10 days from this date. Otherwise, your product may be Out of Warranty.

Receipt of this Warranty Registration Form by Asutay determines the start date of warranty coverage and verifies the warranty.
